SAINT PAUL DOWNTOWN

MSP International Airport serves **Saint Paul** and its neighbor across the Mighty Mississippi. There's plenty to see and do in the "Twin Cities" before and after the convention — we're going "back to the basics" for the 2028 conclave's run. Our excellent light rail system can whisk you from the airport to within two blocks of our host hotel and innumerable attractions throughout the area. (There's also Lyft, Uber, buses, taxis, rental cars, bicycles, scooters, boats, walking...)

Saint Paul's beautiful, 103-year-old Union Depot is your Amtrak destination just 5 blocks from the hotel, with The State Capitol Building, the Science Museum of Minnesota, the Minnesota History Center, the Cathedral of Saint Paul, Historic Summit Avenue, the Children's Museum, the Ordway, the Landmark Center, the Saint Paul Saints minor league ball park, and so much more all nearby.

Hop the light rail to our sister city to see the Minnesota Twins at Target Field, First Avenue — where Prince got his start, the Vikings' U.S. Bank Stadium, the Tyrone Guthrie Theater, the Timberwolves' Target Center, the Hennepin Theater District, the Nicollet Mall, and more!

The incredible Mall of America is also a light rail ride away, with 5.6-million square feet of building area with over 520 retail shops, attractions, and 60 dining options. Nickelodeon Universe is a full-fledged Amusement Park INSIDE the Mall of America's atrium, where it's always a comfy 70°F — it features five roller coasters, a log flume, and plenty of thrilling fun!

Mountains of information is forthcoming ~ SAVE THE DATES!!!
