

Fellow Sons & Daughters,

Yes, it's that time again. Renewal for January 2027 through December 2027 are due.

As you may have expected, as with everything else now, our dues, unfortunately, must go up due to rising costs of everything.

We are in danger of closing the tent if we don't have full renewal along with the increase.

But never fear... you will be getting more for your money!

We have some great stuff planned for the coming year to make it worth your while. Some of the things we are considering are:

- ❖ We will be cutting meetings in January & February, the months most likely to have bad weather, but will be having on-line meetings ala Covid times during those months.
- ❖ We are planning on trivia contests with prizes
- ❖ Raffles for prizes
- ❖ 50/50 raffles
- ❖ Fundraiser for film restoration programs at UCLA & MOMA
- ❖ Theme parties for holidays
- ❖ "Night at the Bijou" programming
- ❖ Etc.

It should be an exciting new Sons!

The church has a food pantry. They have been so welcoming to the Sons since we joined them, it would be nice if we could bring an item or two to contribute at each meeting.

So, let's fill out the renewal form, send out checks & keep the NYC Founding Tent alive!!!

As Always, Your Humble, Exhausted Ruler, *Jack Roth*,
Grand Sheik of The NYC Founding Tent #1
